ABOUT THE HORSE

Favorit KK

Favorit KK is a 7-year-old Oldenburg gelding — a modern, talented sport horse with a solid foundation in dressage and show jumping, very good balance and a fine mouth.

His athletic, well-muscled build forms the ideal basis for further training in show jumping. He comes from a proven performance bloodline, combining carefulness with good technique over the fence. Successfully shown up to 1.25 m, he has gained his first international experience. At home he confidently jumps 1.45 m, with potential for higher classes. Friendly to handle.

Offered due to the end of the rider's sporting career — exclusively to a five-star home.
